Subject: **Presentation of Diplomas to Family Members
December 16, 2017 Commencement**

Wright State has the tradition of inviting faculty members to participate in the presentation of diplomas to graduating family members.

If you have a child or spouse who will be participating in the upcoming ceremony and would like to present the award yourself, please contact Julie Bertso in Event Services at julie.bertsos@wright.edu or 775-5515 by Friday, November 17, 2017 to make arrangements to do so. Please be sure that you are registered through your dean's office to participate as a robed member in the faculty procession in order to make the presentation to your family member.

After providing the name of your family member, the college or school and whether a graduate or undergraduate, you will receive information on the process. **Please note: faculty may present to family members only.**

Thank you. I look forward to seeing you at the ceremony.
