- IV. Undergraduate credit for non-WSU Graduate work  

The committee continued their discussions on SPIA's proposal to allow special partnership programs with non-WSU graduate programs when they do not compete with WSU graduate programs. The committee agreed that there are too many concerns and issues to create a general policy without additional research and deliberation. The committee approved a recommendation that a one-time exception to current policy be allowed for an MOU between WSU/SPIA and UD Law School if ODHE's credit counting guidelines are followed. Dr. Owens will draft an email expressing the will of the committee and asking Dr. Brun, Provost Sudkamp, and the Senate Executive Committee to consider the exception.
- V. Adjourn – the next meeting will be 11:15am, April 2, 2018
