

**RESOLVED, The Wright State Faculty Senate supports the following Strategy Statement proposed in the 2018 Strategic Plan:**

**Wright State Strategy Statement**

By 2025, The Wright State Experience will provide a premium return on the investments of students and partners through a student-first system that leverages the unique strengths and resources of Raider Country.

**Areas of Strategic Focus**

*Collaborative Delivery of Services*

We will strengthen our service-oriented culture by identifying and eliminating barriers to increase efficiency and support accessibility.

*Research, Innovation, and Entrepreneurship*

We will leverage our innovative education, research, service, and entrepreneurial partnerships to produce graduates who excel in their fields and generate economic and societal prosperity for our region.

*Strategic Relationships and Partnerships*

We will engage the community in creating innovative, strategic, and deliberate, win-win partnerships.

*Teaching, Learning, and Programming*

We will deliver accessible, experiential, high-quality programs that address the diverse educational and professional development needs of our students and community.

*Student Life and Engagement*

We will provide an inclusive, diverse student-centered experience through a holistic support system.
